Mr. Harold Weisberg
Hyattstown, Maryland 20734

Dear Mr. Weisberg,

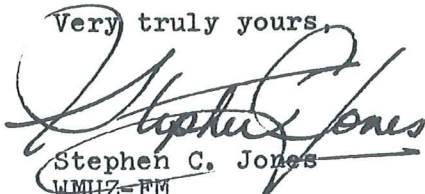

I am the host of an early morning talk and interview program here in Detroit, and our attention has often turned to the review of assassination evidence in the J. F. Kennedy case and others. One of my listeners suggested that your books Whitewash I and Whitewash II, are particularly helpful.

I have been unable to secure copies of these books, and am hoping that perhaps you could send a complimentary copy of each to me here at the station. I think we can help sell a few of the books as well, if they are indeed as helpful as my listener assures me.

I wish we could bring you to the city, but as far as my station is concerned I have no budget for guests. However, if you are ever in the city of Detroit or environs, I would be pleased to have you as a guest to talk about your books and answer questions from our audience.

My thanks to you in advance for your consideration of my request. And if I may be of service to you, feel free to contact me.

Very truly yours,

Stephen C. Jones
